LATTE ART

雨潤風清

質樸的木色無須過多修飾，乾淨如雲朵般的純白，剔透如雨滴般的水晶，都是最適宜的點綴，彷彿大自然親自留下的手筆。

The simplicity of minimalist lines brings out the richness of natural dark woods in decadent shades of espresso and burnished coffee beans, softened by luscious creams and ivories that bring to mind clouds of milky froth and finished with a sprinkle of sparkling-sugar crystal.
